

**Application for Research Internship  
UC-Davis Center for Mind & Brain**

Name: \_\_\_\_\_  
Email: \_\_\_\_\_  
Phone: \_\_\_\_\_  
Current School: \_\_\_\_\_  
Current Year in School: \_\_\_\_\_  
Grade Point Average: \_\_\_\_\_

Describe in detail your computer skills (software you've used, experience with Windows and Macintosh, Web design, programming, etc.).

Describe your short-term goals for this internship (what you hope to learn).

Describe your long-term academic and career goals (e.g., intended college major, career, etc.).

Describe any prior work experience you've had.

Provide a list 2-3 people who could serve as references, including contact information.

Describe the hours you would be able to work at the internship in a typical week (weekdays and/or weekends).
