

Tamara Yvonne Swaab
Curriculum Vitae
2025

PERSONAL DATA

Citizenship: The Netherlands; United States
Married: Ron Mangun; two children, Alexander and Nicholas
Address: Dept. of Psychology and Center for Mind and Brain, University of California, Davis
Laboratory: <https://swaablab.ucdavis.edu/>
E-mail: swaab@ucdavis.edu

EDUCATION AND TRAINING

Postdoc University of California, Davis, McDonnell-Pew Postdoctoral Fellow, Center for Neuroscience (1996-1997) Advisor: Prof. Robert T. Knight
Ph.D. University of Nijmegen and Max Planck Institute for Psycholinguistics, The Netherlands (Cognitive Neuroscience) (1996) Advisors: Prof. Peter Hagoort, Prof. Willem Levelt, & Dr. Colin Brown
B.S. University of Nijmegen (Neuropsychology) (1988)

ACADEMIC POSITIONS

2014- Professor, Department of Psychology and Center for Mind and Brain, University of California, Davis.
2007-14 Associate Professor (tenured), Department of Psychology and Center for Mind and Brain, University of California, Davis.
2002-07 Assistant Professor, Department of Psychology and Center for Mind and Brain, University of California, Davis.
1999-02 Assistant Professor, Center for Cognitive Neuroscience and Department of Psychological and Brain Sciences, Duke University, Durham, North Carolina.
1998-99 Assistant Professor, Department of Psychology, University of California, Davis.
1997-98 Assistant Research Cognitive Neuroscientist, Department of Neurology and Center for Neuroscience, University of California, Davis.
1996-97 McDonnell-Pew Postdoctoral Fellow, Center for Neuroscience, University of California, Davis, with Prof. Robert T. Knight
1994-96 Postgraduate Researcher in Cognitive Neuroscience, Center for Neuroscience, University of California, Davis.
1990-94 Research Associate in Cognitive Neuroscience, Max-Planck Institute for Psycholinguistics Nijmegen, The Netherlands.
1988-90 Research Assistant in Psycholinguistics, Max-Planck Institute for Psycholinguistics, Nijmegen, The Netherlands.

AWARDS AND PROFESSIONAL HONORS

- 2023 Special Recognition for Graduate Student Career Development, UC Davis Graduate Studies
- 2021 Elected Fellow, Association for Psychological Science (APS)
- 2019 Elected Treasurer, Society for the Neurobiology of Language (SNL)
- 2016 Visiting Fellow, Max Planck Institute for Psycholinguistics, the Netherlands
- 2007 Visiting Fellow, Max Planck Institute for Psycholinguistics, the Netherlands
- 2007 Fellow, Text and Discourse Neuroimaging Workshop, the Netherlands
- 1999 National Science Foundation POWRE Award (Scientist Development Award)
- 1999 Invited Symposium Chair/Organizer, Cognitive Neuroscience Society Meeting.
- 1997 McDonnell-Pew Individual Investigator Award (In support of research)
- 1997 Finalist, Dutch Psychonomics Society Dissertation Prize: Recognized as the highest placing cognitive neuroscience dissertation (Fourth place overall)
- 1996 Dutch Heart Foundation - Dissertation Fellowship
- 1996-97 McDonnell-Pew Postdoctoral Fellowship, University of California, Davis
- 1992 NWO (Dutch Science Foundation), Travel grant to participate in EPIC X
- 1991 SAN (Dutch Foundation for Aphasia), Travel grant to the Academy of Aphasia

RESEARCH INTERESTS

Language and Cognition
Cognitive neuroscience of language processing and related cognitive systems
Spoken language comprehension
Individual differences in language processing
Aging and language comprehension
Bilingualism
Deficits of language processing in schizophrenia
Human brain electrophysiology

PUBLICATIONS

Edited Special Issues

- Swaab, T.Y. (Guest Editor). (2007). The Neural and Cognitive Underpinnings of Comprehension of Word Meanings in Content, Brain Research (Special Issue).
- Kuperberg, G. & Swaab, T.Y. (Eds.) (2013-14). Spatiotemporal Dynamics of Language Processing in the Brain: Challenges to Traditional Models. Frontiers in Psychology. (Special Issue).
- Boudewyn, M.A., Carter, C.S. & Swaab, T.Y. (Eds.). (2014). Neural Mechanisms of Impaired Cognitive and Emotional Functioning in Schizophrenia. Frontiers in Neuroscience (Special Issue).

Papers and Chapters (*Trainees of T.Y.S.)

1. Hagoort P., Brown, C. & Swaab, T.Y. (1996). Lexical-semantic event-related potential effects in patients with left hemisphere lesions and aphasia, and patients with right hemisphere lesions without aphasia. *Brain*, 119, 627-649
2. Brown, C., Hagoort, P., & Swaab, T.Y. (1996). Neurophysiological evidence for a temporal disorganization in aphasic patients with comprehension deficits. In W. Widdig, I.M. Ohlendorff and J.-P. Malin (Eds.). *Current Aphasia Therapy*. Freiburg: Hochschulverlag. (p 89-122).
3. Swaab, T.Y. (1996). The functional locus of comprehension deficits in aphasia: An electrophysiological approach. *Afasiologie*, 18 (5), 255-263.

Manuscripts in Preparation/Submission

- *Gao, A., Swaab, T.Y., & Traxler, M.J. Prediction accuracy facilitates processing of visual word form
- *Hoversten, L. J., *Brothers, T.A., Swaab, T. Y., & Traxler, M. J. Behavioral and neural effects of language anticipation during bilingual word production.
- Li, X. & Swaab, T.Y. How natural aging affects predictive language processing and its consequences on speech comprehension.
- *Trammel, T., *Khodayari, N., Luck, S.J., Traxler, M.J., & Swaab, T.Y. Decoding semantic relatedness and prediction from EEG: A classification model comparison

Invited Chapters in Preparation/Submission

- Swaab, T.Y. & Traxler, M.J., Chapter 20, The Neurobiology of Language. In: Kirby, E., Sandstrom, N. & Williams, C. (Eds). Behavioral Neuroscience. Online Open Access Textbook funded by NSF Eager award. Forthcoming.

GRANT HISTORY

Active

- NICHD 1F32HD108937-01A1: “The role of temporal prediction in guiding attention through time during language comprehension.” 2022-2025 (Mentors, T. Y. Swaab & G.R. Mangun; Fellow, Beier, N.). \$221,922

Pending

- NEI 1R01EY037346 (PI., Mangun, G.R.; M.P.I., Ding, M.) “Attention Control and Selection in Visual Cortex” Role: Co-investigator

Completed

- NIA 1R1 R56 AG053346-01A1 “Prediction in Older Adults during Reading and Spoken Language Comprehension”. (PIs, Ferreira, F., Henderson, J.M., & Swaab, T.Y.) 09/01/2017 – 05/01/2021. \$1,157,897.00
- NIMH 2R25 MH057541 “Summer Institute in Cognitive Neuroscience” 07/01/2016 – 06/30/2022, (P.I., Mangun, G.R., Swaab, T.Y., co-I). \$1,250,000
- NSF 1749269 “Linguistic Computations Electrified” (PIs Swaab, T.Y., Ferreira, F., Henderson, J.M., Traxler, M.J.) Grant to support the special session at the 2018 CUNY conference 01/01/2018 – 01/01/2019. \$48,000
- 1R21MH099327-01 “Cognitive Control and Language Impairments in Schizophrenia” 12/01/2012 – 11/30/2015. Direct=\$275,000 (PIs: Swaab, T.Y. and Carter, C.S.)
- NSF 1024003 "Syntactic Priming in Comprehension" 07/15/2010 – 07/31/2015, Direct =\$290,000 (Traxler, M., PI, Swaab, T.Y., co-PI)

NIMH 2R25 MH057541-15 “Summer Institute in Cognitive Neuroscience” 08/02/2010 – 06/30/2015, (P.I., Mangun, G.R., PI, Swaab, T.Y., co-I)

NIMH 1R24MH081807 “Cognitive Control in Schizophrenia” 7/1/08-6/30/12. (Carter, C., PI, Swaab T.Y. co-PI).

NIMH 5R01 MH055714-13 " ERP and fMRI Studies of Visual Attention", 06/01/2007- 11/30/2013. (Mangun, G.R., PI, Swaab, T.Y., co-I)

UCDMC Vision Grant “Recovery of Language Function after Stroke”, 07/01/2009 – 12/31/2010. Direct=\$50,000 (Baynes, K. PI, Swaab, T.Y., collaborator).

NIMH R01 MH066271, “Linguistic Memory Representations: ERPs and Eye Tracking” 04/01/03 – 03/31/08; Direct=375,000 (Subcontract PI, Swaab, T.Y. ; Parent grant PI, Gordon, P.).

National Science Foundation NSF-99-164: "The Cognitive and Neural Architectures of Word Meaning: A Combined Functional Imaging and Electrophysiological Approach", 10/01/00-09/30/02, Direct = \$75,000. (PI, T.Y. Swaab)

National Science Foundation Graduate Fellowship, “Electrophysiology of Language” 1/01-12/04; Stipend and Fees for Fellow (Diaz, M., Fellow; Swaab, T.Y., Sponsor).

McDonnell-Pew Foundation Grant 99-17: “ERP Studies of Language Deficits in Aphasia”. 7/1/97-6/30/00, \$87,900 direct. (PI, T.Y. Swaab)

McDonnell-Pew Foundation Grant 20002044 “Cognitive and Neural Aspects of Syntactic Reanalysis” 08/01/00 - 08/01/03; Direct = \$150,000 (Kaan, E. Postdoctoral, Fellow; Swaab, T.Y., Sponsor)

PROFESSIONAL ACTIVITY

Editorships, Editorial Boards, Scientific Society Service

Editor-in-Chief, *Cognition*, 2020-2024

Senior Editor, *Neurobiology of Language*, 2019-2020 Associate Editor, *Neuropsychologia* 2016-2020

Associate Editor, *Journal of Neurolinguistics*: 2015-

Associate Editor, *Frontiers in Psychology*: 2013-

Associate Editor, *Linguistics and Language Compass* 2007-2014

Guest Editor: *Brain Research*; Special Issue on Language in Context, 2007

Guest Editor: *Frontiers in Psychology*, 2012-2013

Editorial Boards

Brain Research, *Frontiers in Neuroscience*, *Journal of Neurolinguistics*, *Cognition*

Consulting Referee

Nature Neuroscience, *Psychological Science*, *PNAS*, *Human Brain Mapping*, *Journal of Cognitive Neuroscience*; *Journal of Neuroscience*; *Cerebral Cortex*; *Brain Research*; *Trends in Cognitive Science*; *Cognition*; *Neuroimage*; *Neuropsychologia*; *Journal of Experimental Psychology: Memory and Language*; *Journal of Memory and Language*; *Language and Cognitive Processes*; *Linguistics and Language Compass*, *Aging and Cognition*, *Cognitive Affective and Behavioral Neuroscience*; *Brain and Language*; *Psychophysiology*; *International Journal of Psychophysiology*; *Behavior, Research Methods, Instruments, and Computers*; *Biological Psychology*, *Frontiers*, *Journal of Neurolinguistics*, *Cognitive*

Psychology, Cognitive Neuropsychology, Biological Psychiatry, Aging Neuropsychology and Cognition, Memory and Cognition, Journal of Psychiatric Research, Language Cognition and Neuroscience

Federal Government and Other Advisory Panels

Member, European Research Council (ERC) Advanced Grant Panel, 2021-2023
NIH NICHD Special Emphasis Panel, 2023
Chair, National Institutes of Health (NIH) LCOM Special Emphasis Panel, 2021
Member, NIH LCOM Special Emphasis Panel 2021 (3 times), 2022 (2 times)
Member, Site visit review team at the University of Munster, Germany for the Deutsche Forschungs Gemeinschaft (DFG, German, Science Foundation), February 2019
Member, NIH, LCOM Study Section, 2010, 2013
Panel Member, NSF Perception, Action and Cognition, 2008
Ad Hoc Referee, NSF
Ad Hoc Referee, Economic & Social Research Council, UK (ESRC)
Ad Hoc Referee, Israeli Science Foundation
Ad Hoc Referee, Deutsche Forschungs Gemeinschaft (German Science Foundation, DFG, Germany)
Ad Hoc Referee, Dutch Science Foundation (NWO)
Member, Board of Directors and Faculty, NIMH Summer Institute in Cognitive Neuroscience, UC Davis and UC Santa Barbara, 2010-2022

Conference Abstract Review Committees

CUNY, 2009, 2010, 2011, 2018, 2019, 2020, 2021, 2021
Cognitive Neuroscience Society, 2005, 2009, 2010, 2011, 2012, 2013, 2014
AMLaP, 2010
Society for the Neurobiology of Language Conference, 2010 -present
Conference on "The Neurological Basis of Language: Experimental, Neurological and Computational Approaches", 2001, Groningen, The Netherlands.
Society for Psychophysiological Research, 2003

Society Memberships

Association for Psychological Science (APS)
Society for the Neurobiology of Language (SNL)
American Psychological Association (APA)

Conferences and Symposia Organized/Chaired

2019-2022 Society for the Neurobiology of Language, Treasurer-Elect (2019-20), Treasurer (2020-21), Past Treasurer (2022-23), member of the governing board (2019-), and annual conference organizing committee (2020).
Co-Organizer (with Ferreira, F., Henderson, J.M., Traxler, M.). CUNY Conference (International meeting for research on sentence processing), 2018, funded by an NSF grant (Swaab, PI)

Co-Organizer (with Traxler, M.) CUNY Conference (International meeting on sentence processing), 2009

Co-Organizer (with Bales, K.) UCD annual Psychology Conference, June 02, 2005

Slide Sessions Organized, Cognitive Neuroscience Society, 2008-2011

Chair of Slide Session, Language II, Society for Neuroscience, 2004; Cognitive Neuroscience Society, 2008, 2009, 2010, 2011

UNIVERSITY, COLLEGE AND DEPARTMENTAL SERVICE

University Service

Faculty Mentor, Work Life Balance Program, Office of the Vice Provost for Academic Affairs, 2007 – present. In this committee I'm involved in several activities, including, among others: 1) annual presentations and mentoring for new department chairs and new faculty members, advancing faculty diversity, 2) Advice individual faculty on Work Life Balance policies (e.g., pregnancy leave), 3) Discussion of policies to implement consideration of COVID related problems in advancing research in the evaluation of merit and promotion

COACHE (Collaboration on Academic Careers in Higher Education) Survey Advisory Committee, 2021. Evaluation and decision on questions for a survey designed to enhance our understanding about faculty member's experiences at UC Davis. Development of a plan to garner strong and representative response rates, and on implementing policies based on results.

Inaugural Member: Faculty Academy of Graduate Student Well-Being, 2021- present

Member: Graduate Student Mentoring Initiative, 2022

Member, Child and Family Care Administrative Advisory Committee, 2020-2021

Member, Graduate Studies Faculty Review Committee, 2020-2021, review graduate student travel fellowships for Fall and Spring.

Reviewer, UC Davis Hellman Fellowship, 2009, 2010

College Service

Representative, UC Davis Letters and Science Academic Assembly, 2020-2022

Departmental Service

Organizer, UC Davis EEG meeting, 2021-, monthly speaker series on advancements in EEG methodology for faculty, postdocs, graduate students, and undergraduate students

Member, Mentoring and Personnel Advancement Committee (MPAC), 2020-

Member, Graduate Student Mentoring Committee 2023-

Organizer, Distinguished Lecture Series in Psychology, 2012-2019

Founding Organizer, UC Davis Language Sciences Meetings, 2007 – 2018

Ad hoc member, Committee for subject pool organization Psychology Department 2019

Chair, Library Committee, UC Davis, 2005-2012

Member, Library Committee, UC Davis, 2002 – 2005

Member, Ad Hoc Committee on Promotions, UC Davis, 2004

Member, Ad Hoc Committee on Faculty Mentoring, UC Davis, 2004

Member, Ad Hoc Committee on Faculty Recruitment, Psychology UC Davis, 2005 Member, Cognitive Neuroscience Search Committee, UC Davis, 2002 Representative, Duke Academic Council, 2000-2002.

Member, Cognitive Neuroscience Search Committees, Duke University 1999-2000, 2000-2001.

Member, Undergraduate Curriculum Committee Psychology, Duke University, 2000-2002

Founding Committee Member, Graduate Program in Cognitive Neuroscience, Duke University 1999-2002

Curriculum Committee Member, Cognitive Neuroscience Training Program, Duke University, 2000-2002

Member, Dissertation Committees (several), Duke University, 2000, 2001, 2002

Member, Graduate Major Area Paper Committee, Duke University, 1999, 2000, 2001

Chair, Major Area Paper Committee, Duke University, 2002

TEACHING and MENTORING EXPERIENCE *Courses developed by T.Y. Swaab

F-award Writing Workshop, 2021, 2022, 2023 Mentoring, leading discussions and reviewing proposals of student participants across campus between January and July in an Intensive Workshop organized by the UC Davis Comprehensive Cancer Center and the Clinical Translational Science Center for early career investigators (graduate students and postdocs) to learn how to develop their F award proposal and how to conceive of their career development and the importance of their relationship to their mentor.

UC Davis EEG Meeting (UCD-EEG): 2021, 2022, 2023 Monthly speaker series on advancements in EEG methodology. Faculty from UC Davis EEG laboratories and graduate students, postdocs attend, present, and discuss. Presenters are typically from UC Davis, but we also have invited speakers from outside UC Davis (virtually).

UC Davis EEG Bootcamp: 2008-2013, 2019, 2022 Individual Consulting Meetings with Participants, Paper Discussions

*Instructor, Graduate Student Wellbeing, 2022-

*Instructor, ERP seminar, UC Davis (graduate), 2005-2012, 2021

*Instructor, ERP acquisition and analysis (undergraduate), 2020

*Instructor, Cognitive Neuroscience of Language Individual Study Projects, (undergraduate), 2004-present

Instructor, Language and Cognition, UC Davis (undergraduate), 1997, 2004 - present Instructor, Cognitive Neuroscience, UC Davis (undergraduate), 2006 – 2012 Instructor, Cognitive Neuroscience Core Course, UC Davis (graduate), 2004 – 2016 Chair, Graduate Individual Advising Committees, 2007- present

Chair, Graduate Oral Exams, 2008 - present

Member, Graduate Oral Exam Committees, UC Davis, 2002- present

Member/Chair, Graduate Dissertation Committees (several), UC Davis, 2004-present

Member, Graduate Individual Advisory Committees, Psychology, UC Davis, 2003-present

Member, Graduate Written Exam Committee, Linguistics, UC Davis, 2005-2012

Guest Lecturer, Cognitive Neuroscience, 2008-2009

Guest Lecturer, NPB, 2009-2010

Instructor, NIMH ERP Bootcamp, UC Davis 2008-present

Instructor, Cognitive Neuroscience (undergraduate) Duke University, 2002

*Instructor, Methods in Cognitive Neuroscience (undergraduate) Duke University, 2000-2002

- *Instructor, Brain and Language (undergraduate), Duke University, 1999-2002.
- Guest Lecturer, Language and the brain: Comprehension deficits in aphasia (Psychiatry), University of California, Davis, 1997.
- Lecturer, Language processing, neural mechanisms and aphasia (graduate), Summer school for Behavioral and Cognitive Neurosciences, University of Groningen, The Netherlands, 1996.
- Guest Lecturer, Cognitive neuroscience of language processes (graduate), University of California, Davis, 1996
- Guest Lecturer, Brain and Behavior, Psychology Dept. (undergraduate), University of Nijmegen, The Netherlands, 1993.
- Guest Lecturer, ERPs and Aphasia, Medical Neurology (medical), University of Nijmegen, The Netherlands, 1993
- Guest Lecturer, Neuropsychology of Language, Psychology Dept. (undergraduate), University of Leiden, The Netherlands, 1992
- Guest Lecturer, ERPs and Aphasia, Medical Neurology (medical), University of Nijmegen, The Netherlands, 1991
- Teaching Assistant, Electrophysiology, Psychology Dept. (undergraduate), University of Nijmegen, The Netherlands, 1984, 1985, and 1986
- Graduate Program Member: Psychology Graduate Group (2002 -); Linguistics Graduate Group, UC Davis, 2005-); Human Development Graduate Group: UC Davis, (2013 -)

SYMPOSIA ORGANIZED

- Co-Chair (with Baynes, K.) Activating words in the brain: Integrating neuropsychology and Psycholinguistics. Academy of Aphasia, Santa Fe, 1998 [selected by program committee].
- *Chair, Making sense of sentences: The brain circuitry for sentence processing. Cognitive Neuroscience Society Meeting, Washington D.C., 1999 [selected by program committee].
- Chair, The Cognitive and Cortical Organization of Concepts. Satellite Symposium Cognitive Neuroscience Society Meeting, San Francisco, 2000
- Chair, Language and the Brain. Symposium at the retreat for the Center for Cognitive Neuroscience, Chapel Hill, 2002
- Chair, Unraveling the Mysteries of Meaning in the Brain: Contextual Cues to Language Comprehension. Satellite Symposium Cognitive Neuroscience Society Meeting, San Francisco, 2006
- Chair, The Interface between Memory and Language. Cognitive Neuroscience Society, San Francisco, 2013 [selected by program committee]
- * Reviewed in *Trends in Cognitive Sciences*, Vol. 3, No.6 , pg. 203, June 1999

INVITED PRESENTATIONS

- Swaab, T.Y. Is the N400 a reflection of automatic lexical processing? Evidence from masked priming”, Institute for research in language and speech (IWTS), Nijmegen, The Netherlands, 1989
- Swaab, T.Y. In search of the processing nature of the N400: a masked priming study. Psychology Dept. Nijmegen, The Netherlands, 1990.
- Swaab, T.Y. Temporal aspects of language understanding in aphasia. Evidence from ERPs. Dutch Community for Neuropsychology, The Netherlands, 1992.
- Swaab, T.Y. ERP-evidence for delayed lexical integration in aphasia. Nijmegen Institute for Cognition and Information (NICI), The Netherlands, 1993.

- Swaab, T.Y., Impairments of lexical-semantic integration processes in aphasia: Evidence from event-related potentials". Max-Planck Institute for Psycholinguistics, the Netherlands, 1994.
- Swaab, T.Y. Lexical integration deficits in aphasia". CNS, University of California, 1995 Swaab, T.Y. Delayed lexical integration in aphasia: An ERP study". VA Martinez, 1995"
- Swaab, T.Y. The time course of spoken sentence understanding in aphasia. University of Oregon, 1996 Swaab, T.Y. The functional locus of comprehension deficits in aphasia: An electrophysiological approach". Center for Neuroscience, University of California, 1996
- Swaab, T.Y., Brown, C.M., & Hagoort, P. Understanding ambiguous words in sentence contexts: Electrophysiological evidence for a delay in contextual selection in Broca's aphasia. 8th World Congress of Psychophysiology, Tampere, Finland, 1996
- Swaab, T.Y., Brown, C.M., & Hagoort, P. ERPs and sentence processing in aphasia. Tennen VIII, Montreal, June 1997
- Swaab, T.Y. Electrophysiological analyses of spoken sentence comprehension deficits in aphasia. EPIC XII, Boston, 1998
- Swaab, T.Y. An electrophysiological approach to study sentence processing in aphasia. Neurology & Neuropsychology, Travis CA, 1997
- Swaab, T.Y. Electrophysiological studies of sentence processing in aphasia. Psychology, UC Davis, 1997
- Swaab, T.Y. Tracking the time course of language comprehension: Electrophysiological analyses of aphasic deficits. Psychology, Dartmouth NH, 1997
- Swaab, T.Y. Brain mechanisms for spoken language comprehension. Neuroscience Retreat, UC Davis, 1997
- Swaab, T.Y. Making sense of sentences: Tracking the time course of language comprehension." Psychology Dartmouth NH, 1998
- Swaab, T.Y. Semantic memory and the right hemisphere. Workshop memory and ERPs, Psychology, UC Davis, 1998
- Swaab, T.Y. When sentences don't make sense: Electrophysiological analyses of aphasic deficits". Psychology, UNC, Chapel Hill, 1999
- Swaab, T.Y. The brains' response to lexical ambiguities in sentence contexts. ICON7, Budapest, July 1999
- Swaab, T.Y. & Hagemann, K. Hemispheric Asymmetry in Category Ambiguity Resolution. SPR, Chicago, October 2003
- Swaab, T.Y. Imaging Imageability and Semantic Distance: The Role of the Right Hemisphere. Brain Imaging and Analysis Center, Duke University Medical Center, 2000
- Swaab, T.Y. Comprehending Language Comprehension. Psychology. UC Davis, 2002
- Swaab, T.Y. & Nakano, H. How and when do listeners integrate themes. Cognitive Neuroscience Society Meeting, San Francisco, 2006
- Swaab, T.Y. When and Where do we Integrate Meaning in Context?, UC San Diego, 2004 Swaab, T.Y. Does a Necklace Drink Milk? Working Memory and Thematic Integration, UC Davis, Neurology, 2005
- Swaab, T.Y. Lexical Repetition and Semantic Priming in Discourse Contexts. UC Davis Psychology, 2005 Swaab, T.Y. Context, Control and Comprehension. Symposium in honor of Marta Kutas, Max Planck Institute for Psycholinguistics, 2010
- Swaab, T.Y. Context and Comprehension: Representation, Activation and Integration of Lexical-Semantic Information, Max Planck Institute for Psycholinguistics, Nijmegen, The Netherlands. 2007

- Swaab, T.Y. The Interplay of Context and Lexical Priming during Language Comprehension”, Nijmegen Institute for Cognition Research (NICI), Radboud University, The Netherlands, 2007
- Swaab, T.Y. Context, Coreference & Comprehension”. UC Davis, Psychology, 2008.
- Swaab, T.Y. Impaired Discourse Comprehension in Schizophrenia. Integrated Neuroscience Seminars, UC Davis, 2010.
- Swaab, T.Y. Cognitive Control and Working Memory Maintenance during Language Comprehension, UC Irvine, 2010
- Swaab, T.Y. Individual Differences in Language Comprehension, Center for Mind and Brain, 2011
- Swaab, T.Y. Multiple routes to comprehension, Penn State University Center for Language Studies, 2013.
- Swaab, T.Y. Speech and Span: the Role of Working Memory in Language Comprehension. Cognitive Neuroscience Society Meeting, 2013
- Swaab, T.Y. Cognitive control and language comprehension, Tufts University, 2014.
- Swaab, T.Y. (Keynote speaker) Benefits and Costs of Prediction During Comprehension. ICPEAL 2016, Guangzhou, China
- Swaab, T.Y. Prediction during Comprehension. Invited Speaker at the Kavli Summer Institute for Cognitive Neuroscience, Santa Barbara, 2017
- Swaab, T.Y. Aging and Prediction, Center for Mind and Brain, UC Davis 2018
- Swaab, T.Y. What will the future bring? Flexibility of prediction during language processing. Talk Presented at a two-day event for the celebration of the 40 year existence of the Max Planck Institute for Psycholinguistics titled: Neurobiology of Language: Key Issues and Ways Forward (2021)

Conference Proceedings and Abstracts

1. Brown, C.M, Hagoort, P., & Swaab, T.Y. Does the N400 reflect automatic lexical processing? Ninth International Conference on Event-Related Potentials of the Brain, The Netherlands, 1989
2. Swaab, T.Y., Brown, C.M., & Hagoort, P. Sensitivity of the N400 to auditory associative and semantic priming. First European Congress of Psychophysiology, The Netherlands, 1991
3. Swaab, T.Y., Brown, C.M., & Hagoort P. Using ERPs to study comprehension deficits in Broca’s aphasia: A priming study. German conference on aphasia and aphasia treatment, The Netherlands, 1991
4. Hagoort P., Brown C.M., & Swaab T.Y. Using Event-Related brain Potentials (ERPs) to investigate comprehension deficits in aphasia. Academy of Aphasia, Italy, October, 1991.
5. Swaab, T.Y., Brown, C.M., & Hagoort, P. Using the N400 to investigate comprehension deficits in aphasia: a priming study. Tenth International Conference on Event-Related Potentials of the Brain, Hungary, 1992
6. Hagoort, P., Brown, C., & Swaab, T.Y. Too little time to understand: Evidence from on-line research for a chronogenetic account of aphasia. Academy of Aphasia, Tucson AZ, 1993
7. Swaab, T.Y., Brown, C.M., & Hagoort, P. Impairment of lexical-semantic integration processes in Broca’s aphasia: Evidence from event-related potentials. Cognitive Neuroscience Society, San Francisco CA, 1994
8. Swaab, T.Y., Brown, C.M. & Hagoort, P. What ERPs tell us about comprehension deficits in aphasia. Rhein-Ruhr-Meeting, Bochum, Germany, 1994
9. Swaab, T.Y., Brown, C. & Hagoort, P. The functional locus of comprehension deficits in aphasia: An electrophysiological approach. McDonnell-Pew Retreat, San Diego CA, 1995
10. Swaab, T.Y., Brown, C.M., & Hagoort, P. (1995). Delayed Integration of lexical ambiguities in Broca’s aphasia: Evidence from event-related potentials. *Brain and Language*, 51, 159-161

11. Hagoort, P., Brown, C.M., & Swaab, T.Y. (1995). Semantic deficit in right hemisphere patients. *Brain and Language*, 51, 161-163
12. Swaab, T.Y., Brown, C.M., & Hagoort, P. Neuroelectric evidence for impaired lexical integration in aphasia. *Cognitive Neuroscience Society*, San Francisco CA, 1996
13. Swaab, T.Y., Baynes, K., & Knight, R.T. (1996). ERP evidence for the effect of imageability and semantic distance in word processing. *Psychophysiology*, 33, S81.
